# Information and Consent for Procedure

the following doctor(s): Chaistopher S. Durant	and any such assistants
I hereby authorize the following doctor(s): Christopher S. Durant as may be selected by him/her to perform the following procedure(s) on me:	
Right Shoulder Arthroscopy, rotator Cuff/labral re	epair, partial
acromioplasty and related procedure.	
I am aware that the practice of medicine and surgery is not an exact science. I acknowledge been made to me concerning the result of the procedures.	that no guarantees have
It has been explained to me that during the course of the procedures, unforeseen conditions necessitate additional or different procedures than those set forth in paragraph 1. I, therefore the above named practitioner(s), his/her assistants, or his/her designees perform such procedusirable in the exercise of professional judgment. The authority granted under this paragraph all conditions that are not known at the time the procedure is undertaken.	e, authorize and request that dures as are necessary and
I have been informed of the risks that are generally associated with the performance of any padministration of anesthesia. I further understand that there may be serious consequences a neurological or sensory disturbances, bowel/bladder dysfunction, infection, soreness, permanumbness, tingling, non-healing, need for future procedures or other calamitous occurrence, be certain risks especially associated with the procedures described in paragraph 1. I have a know to the extent that I wish to know what those risks may be. I accept those risks.	such as headaches, nent pain, delayed healing, I understand that there may
I consent to the photographing or videotaping of the surgery or procedure(s) to be performed portions of my body for medical, scientific, or educational purposes, provided that my identity pictures or by descriptive text accompanying them.	, including appropriate is not revealed by the
I consent to the presence of observers in the operating room, such as students, medical residuepresentatives or appropriate parties approved by my surgeon.	dents, medical equipment
I authorize and consent the surgery center to perform any blood tests, including but not limite B, and Hepatitis C on any patient, during whose treatment a healthcare professional sustains membrane or open wound exposure to the patient's blood or other bodily fluids.	d to, tests for HIV, Hepatitis a puncture, mucous
I consent, authorize and request the administration and management of such anesthesia as is anesthesiologist assigned to my procedure. It is my understanding that the anesthesiologist administration and management of the anesthesia and any other necessary, associated process.	will have full charge of the
I acknowledge that the foregoing information does not cover all of the specific information tha above named practitioner. But, the information set forth above was provided to me and I hav	t has been provided by the e had full opportunity to ask
questions and to have received additional information.	
I have apprised the patient of the foregoing.
